It is said that the Chinese first made them in the 800s, filling bamboo sticks with gunpowder and exploding them at the New Year with the hope that the sound would scare away evil spirits. People say that Marco Polo brought them back to Europe. Their loud sounds and various colored lights were described as "bombs bursting in the air." Today they are a key part of celebrating national holidays and cultural events.

- ① 폭죽 ② 연 ③ 피리
- ④ 풍선 ⑤ 활

외국어(영어) 영역

25. A friend was moving to another country, so we took her pet goldfish and put it in a bowl with our goldfish. They lived together for six months, and when the friend came back, we separated them again, and she took her goldfish home. I immediately noticed that my goldfish was behaving strangely. It was banging against the side of the bowl. It seemed to me that it was missing its old friend. The next morning it was floating on the surface, dead. Later that day, my friend phoned to say that her goldfish was also dead. I believe that they died of _____.

- ① water pollution ② a broken heart
- ③ high temperature ④ lack of exercise
- ⑤ a long-distance travel

26. While blue is one of the most popular colors, it _____. Blue food is rare in nature. There are no blue vegetables and no blue meats. Food researchers say that when humans searched for food, they learned to avoid toxic objects, which were often blue, black, or purple. When food dyed blue is served to people, they lose appetite — they don't want to eat. On the other hand, green, brown, and red are the most popular food colors. That's why red is often used in restaurant decorations.

* toxic 독성의

- ① cures some diseases
- ② makes people relaxed
- ③ increases concentration
- ④ makes people feel blue
- ⑤ decreases the desire to eat

27. A student with a cell phone in the classroom is the one who _____. When I was teaching, I saw most of the students text-messaging or playing with their phones. Text-messaging friends is more fun than learning about poetry. The new songs they just downloaded on their cell phones can give them a common topic to talk about. Classrooms with cell phones are not the place for education any more. They're like an indoor playground.

- ① wants to learn something new
- ② likes to read far more than to write
- ③ has no friend and wants to have one
- ④ cares more about having fun than studying
- ⑤ is full of wit and humor in his or her daily life

28. 다음 글에 드러난 필자의 심정으로 가장 적절한 것은?

For the first time in his life, my son felt like he was understood. The counselors and campers he was with made him realize there are so many good people around him. He described the tearful good-bye everyone had the night before he left, and I could tell he was deeply moved by the relationships he formed. This was a great experience for him. You all did amazing work. Camp Heartland will always be one of the highest points in his life. Your efforts truly changed his life.

- ① nervous ② ashamed ③ thankful
- ④ angry ⑤ surprised

29. 다음 글에서 필자가 주장하는 바로 가장 적절한 것은?

We depend greatly on fossil fuels because about 75% of the energy we use comes from them. The problem is that they increase the amount of carbon dioxide in the air and cause the greenhouse effect. In order to avoid this, we have to find other sources of energy. They have to be clean and less expensive. Scientists think that one such source is solar energy. It can be used to produce electricity, which can then be used to run cars and fly airplanes. Now we should take steps to find clean energy.

* fossil fuel 화석연료

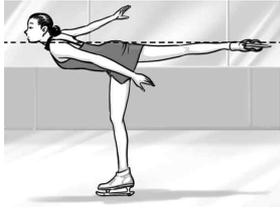

- ① 대중교통을 많이 이용하자.
- ② 가정에서 전기 사용을 줄이자.
- ③ 전기 자동차의 보급을 늘리자.
- ④ 후손을 위하여 천연자원을 아껴 쓰자.
- ⑤ 환경친화적인 대체 에너지를 개발하자.

30. (A), (B), (C)의 각 네모 안에서 문맥에 맞는 낱말을 골라 짝 지은 것으로 가장 적절한 것은?

Have you ever thought about what skin does for us? Most of us know that skin (A) protects/selects us from heat, cold, or dirt. But that is not its only job. For instance, the skin is where our bodies make the vitamin D that we need. Another function has to do with the sense of (B) touch/taste. Without that sense, we could not feel any difference between rough and smooth surfaces. Skin can even help us determine if someone is sick. The wrong color — slightly gray or very pale — may be a (C) sign/design of illness.

A camel spin is a spin move done in figure skating. This spin is achieved when the skater puts her body into the general shape of the letter "T". The left leg is ① skating. The right one is ② stretched behind the skater. It is side by side to the ice. The ③ upper body is bent forward. But it makes a ④ straight line with the right leg. Like the other spins, the camel spin may be performed on either foot. During this spin move, the skater's face looks ⑤ backward.

【32 - 33】 다음 글의 주제로 가장 적절한 것을 고르시오.

32. Among some animals, smell plays a different role from its role among people. Ants use smell to mark a path to food. Female butterflies attract male butterflies with a smell. And worker bees respond to the smell of the queen bee. Scientists have studied how people respond to smells too. How does the smell of a person affect others? By studying this important question, scientists have learned a lot about human beings. For example, they have discovered one of the reasons that two people fall in love: They smell good to each other!

- ① the role of smells
- ② how the nose smells
- ③ the jobs for our nose
- ④ people's favorite smells
- ⑤ relation between smell and taste

33. Our lives are governed by time. We live by it and in it. But we all experience time differently. Imagine a man and a woman together in a movie theater. They are watching the same movie, but she loves the film while he hates it. For her, the movie ends too soon. For him, it lasts forever. Both he and she agree that the movie started at 7:00 p.m. and ended at 8:57 p.m. But they don't agree on the experience of that one hour and fifty-seven minutes. Clearly, one person's time is not another's.

- ① 다양한 취미 활동
- ② 시간 인식의 상대성
- ③ 시간의 효율적인 사용
- ④ 영화가 지니는 매력
- ⑤ 인간관계의 중요성

34. 빈칸 (A), (B)에 들어갈 말로 가장 적절한 것끼리 짝지은 것은?

Many people think that nothing is better than a short nap after eating a big meal. (A), a nap isn't a good idea at all. Even though large dinners often make people sleepy, it is better to relax after a meal than to sleep. The reason is fairly simple. When people sleep, their bodies slow down. The heart beats more slowly. Breathing becomes less rapid and more relaxed. While a person sleeps, digestion also slows down. (B), the stomach has a harder time digesting food if a person takes a nap after eating.

* digestion 소화

【46-48】 다음 글을 읽고, 물음에 답하십시오.

Robert De Vincenzo, the great golfer, once won a tournament. After he received the prize and smiled for the cameras, he walked alone to his car in the parking lot. Then, a young woman came to him.

(A)

De Vincenzo was told by the official that she was a liar. She had no sick baby. She cheated him to get the money. At this, De Vincenzo said, "You mean there is no baby who is dying? That's the best news I've heard all week."

(B)

She congratulated him on his victory and told him that her child was seriously ill and near death. She could not afford to pay the doctor's bills and hospital expenses. De Vincenzo was touched by her story and gave her his prize money for payment.

(C)

The next week he was having lunch in a country club when a Professional Golf Association official came to his table. "Some of the boys told me you met a young woman in the parking lot after you won that tournament." De Vincenzo nodded. "Well, I have the worst news for you." said the official.

【49-50】 두 사람의 대립된 의견을 읽고, 물음에 답하십시오.

Person A Humans are animals who are interested and curious in new things. People get bored easily when they don't have something interesting. Therefore, people will find something interesting and then collect it. And there are many people who get specialized knowledge about a certain area through collecting things. In fact, many libraries and museums have come out of private collections of books, art, and so on.

Person B Some people collect things just because they exist, not because they are necessary. For example, people who collect stamps do not use them to pay for sending mail. They just buy and collect stamps. Sometimes, they spend a lot of money to buy rare stamps. I can't understand why some people collect key chains or match boxes that they will never use. It is just _____. All of that time and money should be used for better purposes.

49. 위 두 글의 핵심 쟁점으로 가장 적절한 것은?
