M: \_\_\_\_\_

2. 대화를 듣고, 남자의 마지막 말에 대한 여자의 응답으로 가장 적절한 것을 고르시오.

M: \_\_\_\_\_

4. 다음을 듣고, 남자가 하는 말의 목적으로 가장 적절한 것을 고르시오.

M: Hello, I'm John Carter from the Smart Education Center. Think about how students learn history. They repeatedly memorize the important events and their years. That's not very exciting. So the Smart Education Center created a history simulation game to further motivate students. The game is called "Timetravel." Students can travel back to a certain time period and live a life as a member of that time. It's available online and you can download it for \$ 30. You'll be amazed at how much fun you can have learning history. I hope students find history interesting by playing this game.

5. 대화를 듣고, 교내 영어 대회에 대한 남자의 의견으로 가장 적절한 것을 고르시오.

M: Ms. Gable, I think we should start planning for the school English competitions.

W: Yes. We have two months left before the competitions. We'll have two categories, speech and writing as we did last year. Right?

M: Well, I have a different idea this year.

W: What's that?

M: We need to add a couple of interesting, creative categories, such as a pop song contest and an English video contest.

W: Sounds interesting, but we'll have to do tons of work to prepare for the competitions, like appointing the judges or arranging the schedule.

M: That's true, but a variety of categories will draw attention from more students.

W: I see. We'll have more prize-winners this year.

M: Exactly. It'll be more beneficial for the students.

6. 다음을 듣고, 여자가 하는 말의 주제로 가장 적절한 것을 고르시오.

W: Do you remember the panda in the famous movie *Kung Fu Panda*? Thanks to the cute character in the movie, people have come to love this animal even more. Unfortunately, the population of pandas has been falling for decades. One of the reasons is that many of the pandas' forests have gone. They've been cut down to make towns. Another is that pandas are suffering from a shortage of food. Bamboo is pretty much the only food the panda eats. But it's predicted that nearly all the bamboo in the pandas' habitat could disappear by the end of this century because of global warming. Panda lovers say it's time to help the pandas.

7. 대화를 듣고, 두 사람이 하는 말의 주제로 가장 적절한 것을 고르시오.

M: No. I don't want to live on campus. I'll stay at home with my parents.

W: Why? Are you trying to save money?

M: It's one of the reasons. The cost of living in the dormitory is higher than I expected.

W: That's what I've heard. And sharing a room with others would be uncomfortable.

M: Definitely. You don't have privacy there.

W: Also, my brother said the dormitory was so noisy that he couldn't concentrate on his studies.

M: Sure. Moreover, I guess the food wouldn't be as healthy as homemade food.

W: Yeah. You may be right.

M: I see. Where are you going to set the cameras?

W: Over there, so that I can take the pictures of you doing the

W: Yes. I'll set the cameras while you get ready.

M: All right. I'll be back soon.

9. 대화를 듣고, 포스터 디자인에서 남자가 수정할 부분을 고르시오.

W: Andy, can I see the poster design for the play?

M: Yes. Here it is. I put the title, *Dinner with Dad*, on the top left instead of the middle.

W: That's good. It was also a good idea to put a round table rather than a rectangular one.

M: And the father and the daughter are sitting face-to-face.

W: It's lovely. Is this the waiter?

M: Yes. I drew the waiter pouring water into the glass to show that they're in a restaurant.

W: Okay. Didn't you tell me that you'd put flowers on the table?

M: Yes, but I drew candles there instead. I thought it'd look better.

W: No, you shouldn't do that. Flowers have a special meaning in the play.

When cooked, the leaves taste like spinach, and the flowers taste like mushrooms. The winged bean makes the soil full of nutrients, thanks to the bacteria in its roots. [21 ~ 22] 다음을 듣고, 물음에 답하십시오.

W: Hello, expecting mothers! You all want your babies to grow up strong and healthy. Let's talk about how we can make that happen. Most importantly, it's ideal to breastfeed your baby. Breast milk is the best food for babies. It contains various nutrients that boost the baby's immune system. Next, make sure to keep your home clean. Babies have little resistance to infection, and an unclean environment is likely to increase the risk of developing allergies. Lastly, skin-to-skin contact is good for babies. One of the best ways to give your baby a loving touch is kangaroo care. It's simple. You just hold your baby on your bare chest. This method is especially effective for premature babies. Through kangaroo care, the baby's heartbeat is stabilized and breathing becomes steady. The baby spends more time in deep sleep and improves its ability to gain weight. Also, the baby can maintain its body warmth. I hope today's information will be helpful for you in the future. That's all for today. See you next time.
