다음을 듣고, 남자가 하는 말의 목적으로 가장 적절한 것을 고르시오.

M: Hello, everyone. Welcome to Hermosa Campground. I'm Mr. Brown, the camp coordinator. Before anything else, I need to briefly cover the campground rules. First of all, you should take a shower or wash your dishes only at the designated area. Second, for your safety, campfires are not allowed after midnight. Third, do not set off fireworks. If you witness anyone using them, please report it to the campground office. Finally, we have a strong policy on recycling, so don't forget to separate your trash from recycling items. Thank you and enjoy your camping.

대화를 듣고, 두 사람이 하는 말의 주제로 가장 적절한 것을 고르시오.

W: Oh, Daniel! Don't throw those away!

M: Why mom? They're just used green tea leaves.

W: Yes, but green tea leaves have many uses.

M: I know sometimes you keep some in the refrigerator. Is that one of the uses you're talking about?

W: Yes. They're very effective at getting rid of bad smells. I also put dried green tea leaves on the shoe shelf.

M: That's interesting! What else can they be used for?

W: Well, you can also avoid bug bites by simply burning them.

M: Really? Maybe I'll take some on my hiking trip next week. Anything else?

W: Sure. If you spread green tea leaves on the carpet, they'll help kill the bacteria on it.

M: Now I understand why you asked me not to throw them away.

W: Here it is. While I was in the bank, someone hit my parked car and just drove away.

M: I see.

W: The driver didn't even leave his phone number!

M: Okay. Does your car have a camera installed?

W: No. Do you think you'll find the person who did this?

M: We'll do our best. We'll check the CCTV cameras around here and see if there were any witnesses.

W: I think I'll need to have my car repaired.

M: I think so, too. Could you write down your contact number? The station will give you a call after the investigation.

W: All right. Thank you, sir.

W: Oh, you're a member of the council, right?

M: I am. I donated that teddy bear standing next to the sofa.

W: Lovely! And I like the "Friendship Forever" banner on the wall, too.

M: That's our catch phrase. We also put those two flower pots on the shelf.

W: They make the spot more cozy. Let's take a picture together.

M: Sure! Why don't you hold the star-shaped cushion that is on the sofa? That'll be cute!

W: It will! Hey, what's that basket in front of the bear for?

M: Oh, you can write postcards and put them in the basket. Then we'll deliver them to your friends.

W: I want to write one!

M: In the taxi, I realized that I left my passport at home, so I had to go back.

W: Well, at least you have your passport now.

M: Plus, the traffic was terrible.

W: It's always like that at this time.

M: Right. By the way, do you know if there is a drugstore nearby?

W: There's one on the second floor. Why?

W: No way! You're the best dancer on our team!

M: I'm sorry. I really want to do it with you, but I can't.

W: Why not? Did something happen?

M: I fell down the stairs at my cousin's this morning.

W: Oh, no! Did you hurt yourself badly?

M: Yes. I hurt my shoulder. I don't need to stay in the hospital, but the doctor told me not to even think about dancing for a while.

W: That's too bad. I'm sorry you can't join us. I hope you feel better soon.

M: Then how about this? This beef is premium grade and it's on sale for \$30 per pack.

W: It looks good. I'll take four packs.

M: Okay. Do you need any steak sauce?

W: I do. How much is that bottle of sauce?

M: The original price is \$7, but since your total is more than \$100, I'll give it to you for \$5.

W: Great. I'll take one bottle of sauce then.

M: All right. So, four packs of premium beef and one bottle of steak sauce. How would you like to pay?

W: Let me have a look. Oh, the exhibit is at the city museum?

M: Yes. We can see many precious ancient items and body casts from the volcanic ash there.

W: When do you want to go? The pamphlet says it's a 7-day exhibit that ends this Sunday.

M: How about Saturday afternoon?

W: That's okay with me. The exhibit is open from 10 a.m. to 6 p.m.

M: Then can we go there after lunch?

W: Okay. That'll be fine.

Only groups of four or more people can use a room. Rooms may only be used for a maximum of 3 hours at a time. They'll be open from 8 a.m. to 9 p.m. including weekends, but closed the first Sunday of each month. Please check the school homepage for more details. Thank you.

W: Sure. Please take a look at these tents on display. These are the best-selling models this season.

M: Hmm.... I'm looking for something under \$300.

W: Okay. How big of a tent are you looking for?

M: I'd like one big enough for four people.

W: Then these are the right size for you. Do you need a tent with a rain cover? Some models don't have it.

M: Yes, I'd like one with a rain cover just in case it rains.

W: Great. How about this orange one? It's been very popular this year.

M: I love it. I'll take that one.

W: Really? What kind of exercise are you doing?

M: I play a couple of sports, but mostly I run a lot.

W: Oh, I used to run alone, but it was no fun at all.

M: Right. When I first started to run by myself, I wanted to quit.

W: How did you end up enjoying it?

M: I formed a running club with my friends. We run together every morning.

W: That's great! Running alone isn't very motivating.

M: Exactly. By running with others, I began to really enjoy it.

W: I want to start running again, but I'm nervous about doing it alone.

대화를 듣고, 남자의 마지막 말에 대한 여자의 응답으로 가장 적절한 것을 고르시오.

W: Hey, Jeremy.

M: Are you feeling all right? You don't look well.

W: I haven't been sleeping well because the air in my room is too dry.

M: Why don't you get some indoor plants? They might help keep the air humid.

W: I don't think I can take care of plants. Watering them regularly is too much work for me.

M: You know what? There's a way to grow plants without having to water them often.

W: Really? How?

M: You can grow certain plants directly in water. You just put the plant in a jar filled with water and that's it.

W: Oh, is that all?

M: It might depend on which plant you have, but generally yes. Just change the water once a month.

W: That's a tempting idea.

M: I'm sure you wouldn't be bothered by dry air any longer if you had one.

다음을 듣고, 물음에 답하십시오.

W: Hello, everyone. Do you often start to study, but after a while find yourself doing something else? If so, here are some tips for you. First of all, choose the right place for proper concentration. It can be your room, a library, or even a cafe as long as you feel comfortable. Second, write down your study goals. Making your goals visible will give you something to work toward during your study time. Third, make sure your cell phone and other electronic devices are turned off. This will help you avoid temptations to be off-task and allow you to stay on your study plan. Lastly, try using certain types of sounds. Sounds like wind or rain are known to improve concentration. And the sound of waterfalls might help clear your mind, and bird sounds can help you feel relaxed. Therefore, both may keep you focused on your studies. Keeping these tips in mind will be very helpful to you. Thank you for listening.
