W: Good evening. This is the office manager of the apartment building. Vacation season is just around the corner. Are you planning a trip? If so, before you leave, make sure to do these things to keep your home safe. First, turn off all electrical devices such as computers and televisions. Pull the plugs to avoid an unexpected fire. Second, stop newspaper delivery in order not to reveal your absence. If that's not possible, ask your neighbor to pick up the newspaper for you. Third, lock your windows so as not to be a target for criminals. Homes with unlocked windows are more likely to be broken into. Last, move expensive items like necklaces or watches to a safe place. By checking these things before traveling, you can enjoy your trip without worry.
