[16~17] 다음을 듣고, 물음에 답하십시오.

W: Good morning, parents! Today I'll give you some tips on helping your child with their school life. Let's start with school items. Kids always lose their own stuff. To avoid it, label everything with your child's full name and class. Don't forget to include shoes because kids take them off sometimes. Next, make sure your child brings the minimum stuff to school. Don't let kids bring too many pencils. The more they take to school, the more they can lose. Also, check your child's bag for lost items. Some items like erasers are often found on the bottom of the bag. Finally, praise your child for looking after their school items including school uniforms. The more you praise them, the more they're likely to take care of their own stuff. Now let's move on to the next topic.
